**TEAM AIR**

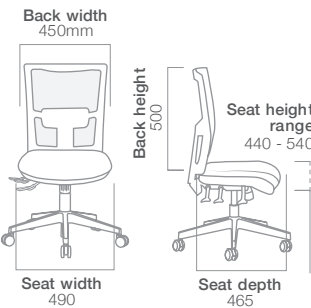

Style and durability meet at a fantastic price. Team Air 160, the first chair to pass AFRDI 142 Rated Load 160kg Multi shift. This means the chair can be used by people up to 160kgs for greater than 8 hours a day. The large seat and multifunction mechanism of it allows you to adjust the back and seat for optimum comfort. If you don't require a large seat then look at the Team Air Task chair with a standard seat, this model is certified AFRDI Level 6 by Furntech.

**OPTIONS**
